## Connect 24 Service Plans

Connect 24 (C24) is a division of Tyco Safety Products that provides cellular communications for the US and Canada.

C24 is commonly used with all DSC alarm equipment, but does have a universal alarm communicator that works with 3<sup>rd</sup> party alarm panels.

Southwest Dispatch Center Dealer Service Department will set up each C24 communicator as requested by the dealer. Please contact our Dealer Service Department at (972) 437-4056 or (877) 437-4056.
